## Sandcrabs 2010 Season Game Video DVD's

Dear Parents,

We have a professional that records our games for our players, parents, and coaches on DVD. This allows you as a parent to watch and enjoy the game instead of looking through a little hole or screen to record it yourself. The game will be recorded at a high elevation and edited in between plays for smoother viewing. In my experience this has helped each player that has purchased the DVD. They are able to watch themselves and see what the coaching staff sees that they may or may not have done correctly. This is a huge advantage that we can provide to our players. Each Game will be handed to you the week after the game so you can watch and review with your young football star.

The cost will be \$100.00 for the season and will cover the Jamboree and all regular scheduled games. Make checks payable to **OBYFCA** and turn in to your Team Mom or Coach by **August 20th**.
