OBYFCA was established in the year 2000. We continue to place heavy emphasis on the academic success of our student athletes. We strive to teach life lessons, discipline, and team work, while promoting a safe playing environment.

Football rosters are comprised of kids with similar age and weight ranges helping to cut down on the potential for injuries.

We continue to be one of the most Recognized associations in the country pertaining to academic excellence. Over 60 participants in 2011 qualified with academic honors having maintained an A average in all core classes. Several of our participants have received scholarship money to go toward their future education.

So Far, 19 Past Ormond Beach Pop Warner Football Participants Have Gone On To Participate In A Collegiate Sport. That number will continue to grow!!! Will you be next?
